### Event Purpose

The Thurston Asset Building Coalition Resource Fair is an event where community members throughout the region can access community resources and support to build their financial well-being. This is a family friendly event set in the beautiful old-growth forest of Millersylvania State Park. We are hosting the We Rise Economic Empowerment Retreat at the Millersylvania State Park Retreat Center in conjunction with this resource fair where about 75 people will be in attendance. This resource fair is a part of that retreat agenda and this resource fair will also be open to the public. We encourage vendors to incorporate fun activities with their booth to help us make this a fun event for community members of all ages.

### Who Can Table at This Event?

Vendors who provide a services to low- to moderate-income Thurston County community members related to housing, food access, health, and financial wellness are welcomed to register.

### Tabling Fees

Each tabling space is approximately 10ft wide x 6ft deep. Tabling fees are \$25 for nonprofit vendors and \$50 for for-profit vendors.

## Restrooms

There is a public restroom about 200 feet away from the tabling location that is marked with men and women's restrooms.

## Accessibility

**Parking:** Parking in both the parking lots at Millersylvania State Park is gravel parking and no ADA accessible spots are available.

**Kitchen Shelter #3:** The kitchen shelter where the resource fair will take place has concrete floors in the shelter and is surrounded by compact dirt and mulch that is mostly flat, but uneven in some places. This area can be accessed by the 8-foot-wide semi-compacted mulch pathway from either the kitchen shelter #2 parking lot (600 feet away) or the boat launch parking lot (400 feet away). There is a restroom facility about 200 feet away with men's and women's marked restrooms. There are no ADA accessible stalls in these restrooms.

## Vendor Registration

Registration is open until all spaces are filled. [Register here.](#)
