

WE RISE

ECONOMIC EMPOWERMENT RETREAT

We are stronger together!

Parking

Participants can park at the retreat center parking lot. No Discover Pass is required to park at the retreat center. If you plan to park in the parking lots outside of the retreat center at the park, a Discover Pass is required. We can provide free Discover Day Passes to those requesting them to park closer to the Resource Fair in the main area of the park (about 1/3 mile from the retreat center) on June 11th. Visit thurstonabc.org/we-rise to request a free Discover Day Pass.

Restrooms

There are two single stall ADA accessible all genders restrooms in the event hall. Each of these restrooms has a changing table. These restrooms will be accessible during the event between the hours of 8am and 8pm. There are also two communal restrooms and shower buildings near the cabins. One of these is for men and the other is for all genders. Participants must bring their own towels and toiletries for showering.

What's an all genders restroom? All genders restrooms are restrooms where people of all gender identities and expressions can use the bathroom safely and comfortably. Having all genders bathrooms available at events allows more people, especially trans, nonbinary, and gender-nonconforming people, to feel safe using the bathroom.

Health and Safety

Masking is strongly encouraged while indoors during the event. This helps ensure the safety of our most vulnerable participants. People staying in cabins the night of June 11th are required to test negative for COVID-19 within 24 hours prior to attending the
